

EARTECH MUSIC™

Product choices for your listening preference

Dual, Triple, Quad drivers

Precision builds for sound integrity

Handpicked and individually tested, each component in your IEM pair is closely matched to ensure symmetry between your right and left side.

Handcrafted for a comfortable fit and improved sound signature

Our unique earmold design process addresses both the fit and function of your custom IEM's.

Custom appearance to express your creativity

We'll collaborate with you to make sure your IEM's reflect your personal style.

IEM's from EarTech Music – as individual as you are.

EARTECH DUAL

The Dual offers superior quality, clean and accurate sound, and excellent value. Perfect for anyone just getting into the custom in-ear monitor market.

Starting at \$299 plus S&H

EARTECH TRIPLE

The Triple is a step up from the dual driver monitor in depth and presence, yet still clear and crisp. This is our most popular model with sound engineers, on-stage musicians, and the discriminating audiophile due to its exceptional accuracy.

Starting at \$399 plus S&H

EARTECH QUAD

The Quad offers a powerful bass response while maintaining an excellent balance of mids and highs. Especially popular with bass players and drummers, the Quad is a dynamic combination of power and clarity.
